

# Capital Campaign Management

*Serving Christian Organizations*

*Fortify Foundation exists to further sustain Christian schools.*

*As former employees of Christian schools, our aim is to help you run an effective campaign with a focus on lasting success.*

## HOW IT WORKS

Partner with Fortify to raise funds through a Capital Campaign.

Our fee is **2% of the total raise.** Ensuring you gain value based on what we help you produce, not just paying a flat fee.

Additionally, we will take **.5% of that fee and place it into an endowment fund on your behalf.**

Your endowment fund, **Sustaining Christian Education** for generations to come!
